

Psalm 46 Remembering God's works

A time of sharing took place around the work of God in our lives

By counting God's blessings in our lives and in the lives of others, it helps us in our battle against wrong thinking dropped into our minds by Satan.

- How God drew us to Himself when He saved us
- How God changed our lives when He saved us and has continued to do that
- How God has brought healings into our lives.
- Emotional, physical ,mental
- How God has provided for our financial needs
- How God has brought other people into our lives to support us.
- How God has blessed us in special ways at times of need
- How God has given us a sense of purpose in our lives
- How God has put us into a family
- How God has filled us with His Holy Spirit
